

Paper Plate Rainbow Craft

Today we are making Paper Plate Rainbow Craft! Why a rainbow? After every rainy day, a rainbow appears in the sky it makes us smile!

Supplies Needed:

Construction paper (red, orange, yellow, green, blue, purple colors)

Paper plate

Cotton balls

glue

Scissors

Ruler

Pen

Step 1:

Use pen to draw a half point line through paper plate

Step 2:

Cut paper plate in half with scissors

Step 3:

Cut 1-2 inch stripes the entire length of the colored construction paper

Step 4:

Glue cotton balls on paper plate to create the clouds

Step 5:

Glue construction colored strips on the back of the paper plate
