

**Question Toss** – Explore curiosity as you answer questions while staying active with Question Toss. Ask a question then throw the ball to a sibling or parent. The person catching the ball will answer the question then asks a related follow-up question. He/She will throw the ball to another sibling or parent. The second person follows the same directions as the first person by answering the question and asking a related question. This continues until someone is unable to think of an answer, a question, or an on-topic response to a question.
