LLAMA BE CAREER READY!

WEB QUEST

Visit www.educationplanner.org

Choose "students" and "self assessments."

Take the assessment "What kind of student are you?"

List one thing you could improve with your study habits.

Take the assessment "What is your learning style?"

Which style fits you the most?

Read about your learning style. List one study tip for people with this learning style.

Take the assessment "Which study habits can you improve?"

List one item in the "plan to do" column that you are willing to try this year.

Now look at the top of the page. Choose students, career planning, find careers, career videos, & go to career videos.

Choose a category and a career video that says "NEW" next to it.

Watch the video. Now look at the information to the left of the screen. Complete the following for two careers that seem interesting to you.

Career name:

What is the hiring outlook?

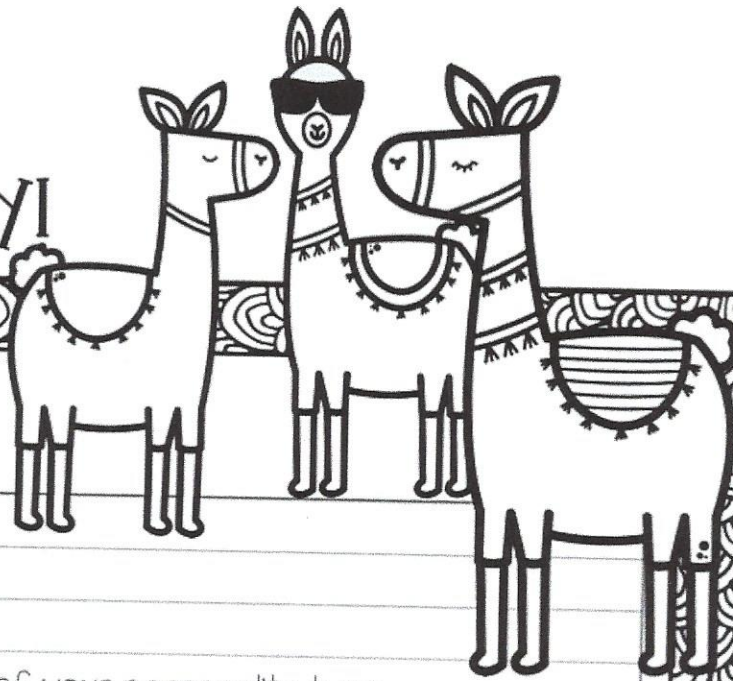

How much education/training do you need?

Career name:

What is the hiring outlook?

How much education/training do you need?
